

S Corporation Tax Organizer

The S Corporation Tax Organizer has been designed to help collect and organize the information that we will need to prepare your business income tax returns in the most efficient and timely manner possible. Because this is the information we will be using to prepare your tax returns and sending to the IRS, please verify it is complete and accurate before submitting.

In addition to completing the organizer, there are additional documents we'll need to complete your taxes. Below is a list of items we will need before we can prepare your taxes:
